

## YEAR 11: Personal Careers Advice and Guidance and Destinations 2020

### SHSCC Year 11 Destinations 2020

In 2020, all of our Year 11 students moved on to post-16 placements as detailed below.

It is testament to the success of our CEIAG (Career Education Information and Guidance) programme that at SHSCC we have very few NEETS (not in education, employment or training) annually; none among the 2020 cohort. This is an indication that students receive support and guidance to make relevant and correct choices for their post-16 education and training.

At SHSCC, we offer our students a comprehensive CEIAG programme of events, offering support from Year Leader, tutor, subject teacher's, external agencies, employers, FE and HE institutions, alumni and apprenticeship providers, as well as a Level 6 CEIAG qualified Guidance Advisor.

All Year 11 students will have access to 1:1 guidance meetings to help them with their post-16 options and applications, and we endeavour to ensure that all students have realistic and obtainable plan A options, but also a plan B backup, and that applications are made up the beginning of March.
