Our top uniform buying tips...

Boys Trousers

Fit to waist size. There is an adjustable waist which can be used to pull in the waistband. Choose the size nearest to your measurements.

Pleated Skirts

The skirts sit just below the waistline. Fit just below the knee to allow for growth

Blazers

You may want to go for a slightly bigger blazer size if your child will be wearing a jumper during the winter months. Make sure when you try on your blazer the sleeves come down to the knuckles to allow for growth and across the shoulders there is also room for growth.

Jumpers

The v-neck knitted jumpers can come up fairly small in size. It would be advisable to order a size larger.

Straight Skirts

The straight skirt sits on the waist. Fit to the knee or just below to allow room for growth.

PE Tops

PE Tops should always be bought slightly bigger to allow for growth and ease of taking on and off in a hurry when changing.

PE Shorts

The PE Shorts have a draw string to pull the waist in tighter.

Don't forget

Don't forget name labels, water bottles and mouth guards!
