

PUPIL PREMIUM STRATEGY 2012 - 2013

Funding and Investment

Funding Received in 2012-2013: £159,000

The college has received funding of £600 per Pupil Premium student and £250 per Services Child.

Investment for this academic year was as follows:

- **Pupil Premium Disadvantaged Fund**
This fund is set aside to purchase resources, equipment and direct finance support for PP/S students, (KS3/4 revision guides, school planners, food for Food Technology, support for school trips, scientific calculators, support for residential and educational visits).
- **Additional interventions and provisions – contribution to salary, resources and maintenance.**
- **Pupil Premium Intervention support manager (1 x FTE)**
Student performance data is analysed to identify underachievement and target intervention strategies, (e.g. personalised support programmes, mentoring, continuity – one point of contact, communication with parents, co-ordination of specialist teacher input, monitoring catch up progress).
- **Pupil Premium LSA Support**
This is used to support students with classwork, coursework and revision at KS3 and KS4 in Maths and English. Student data is continuously monitored to support students working to their target grades, by determining and facilitating intervention needed.
- **Targeted intervention in English**
Additional staff time is used to facilitate/provide after school workshops, targeted additional support, booster sessions, working in close liaison with the Intervention and Pupil Support Assistant for English. Students have been withdrawn from core PE and RE for additional literacy support from Specialist English Teaching Assistants and English teachers.
- **Targeted intervention in Mathematics**
Additional staff time is used to facilitate/provide after school workshops, targeted additional support, booster sessions, working in close liaison with the Intervention and Pupil Support Assistant for Maths.
- **Literacy and numeracy support groups**
Additional provision at KS3 to address student progress that is below expected levels of progress in English and Maths.
- **KS3 and KS4 Achievement Coordinator**
Analysis and reporting of the progress and achievement of PP/S students is carried out by the KS3 and KS4 Achievement Coordinators.
