## 1. Introduction

As with every child in our care, a child who is considered to be 'disadvantaged' is valued, respected and entitled to develop to his/her full potential, irrespective of need. All staff and governors accept responsibility for 'disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs.

This Plan specifies the level of funding we have received and how we intend to use this funding in order to support students in achieving their full potential. The plan should be considered in conjunction with the Pupil Premium Policy.

## 2. Pupil Premium Expenditure Plan - Financial Year 2017– 2018

Our aim is to eliminate any variation between the progress between Pupil Premium and non-Pupil Premium students nationally. We are entitled to Pupil Premium funding for the following:

- ✓ FSM students who are underachieving
- ✓ FSM students who are in danger of underachieving
- ✓ Children of members of HM Armed Forces
- ✓ Children adopted from an in-care status

We have evaluated the impact of Pupil Premium strategies in our school and have researched carefully the most effective ways of using this funding. This has enabled us to prioritise the use of the funding as follows:

- Championing: Establishing a 'Raising Achievement Co-ordinator' at SLT Level and appointing a responsible governor.
- Dedicated mentoring: For all students in danger of underachieving in all years.
- Intervention:
  - ✓ Intervention in literacy, numeracy and science;
  - ✓ Alternative provision for specific students to maintain engagement e.g. L1 Cope and Construction;
  - ✓ Enhanced data tracking and monitoring to enable appropriate and effective intervention;
  - ✓ Enhanced behaviour management systems and strategies using dedicated staff;
  - ✓ Dedicated Pupil Premium Support Co-ordinators;
  - ✓ Additional staff in core subjects.
- Support:
  - ✓ Transition Co-ordinator to strengthen the parental partnership and liaison;
  - ✓ Support the funding of school uniforms, enrichment activities and educational visits;
  - ✓ Support the funding of music lessons and other curriculum resources;
  - ✓ Extending the LRS centre provision to enable access to resources/staff before and after school;
  - ✓ Maths and English transition programmes;
  - ✓ Support with attendance, personal development, behaviour and welfare.
