

## Governor Information for Website

**Name:**

Charlie Lambert

I became a Governor because I have a great interest in education and want to give back to the community that I have recently become a part of. I believed that I could bring my experience of scrutiny to be an effective Governor.

I am a Governor with subject responsibility for Sciences and Health and Social Care. In addition I sit on the Finance sub-committee, regularly meeting with Dawn White to examine SHS's finances.

I am a new inductee to the county and I am starting to build ties. I have started this by joining a local golf club.

I work for Hertfordshire County Council, scrutinising all the council and NHS services in the region to make sure that they are providing what they should for the community.
