

## **Governor Information for Website**

**Name:** Paul Kosciecha

I believe that SHSCC has an important role in the town in shaping and equipping young people to take the opportunities available to them. I became a Governor to help in this.

I am a member at the local Baptist Church and minister at Whittlesey Baptist Church. I have lived in Whittlesey since the Summer of 2016, having moved from South Wales. I'm married to Anita and we have 4 children. In my spare time I enjoy playing music, walking, DIY and anything to do with technology.
