TO PARENT/CARER OF ALL YEAR 13 STUDENTS

Dear Parent/Carer

The final written examinations are imminent and students are working hard in College. Many are benefitting from the on-going revision sessions that are being offered and following an intensive programme of revision.

Students are expected to attend College and complete their normal timetabled lessons up to Friday 24th May 2019. After this date they are expected to attend College for only those lessons where they have not yet completed all their assignments or examinations. Students sitting BTEC's will need to be signed off by their teacher once all their work is complete. Students will need to register with their subject teacher when they are attending a normal timetabled lesson or an extra revision session, and sign in and out at reception when entering and leaving the school premises. Students must follow the College dress code when in College and in examinations.

Students are invited to attend an event to celebrate their success and achievement from lesson four on the 24th May 2019

I would like to take this opportunity to wish students the very best of luck in their forthcoming exams, and every success in the future.

Yours sincerely

Mr J Wilson
Director of Sixth Form
