

SHSCC Results – Press Release – Summer 2019

I would like to congratulate all of our Year 11 students on their GCSE results this summer which they should rightly feel proud of.

80% of all Year 11 students achieved a 4+ in English; over 60% achieved grades 9-4 in English and Maths. Within the cohort 11% achieved a grade 9-7 in Maths and over 18% achieved a grade 9-7 in English. Overall 36% of students achieved one grade 9-7 in at least one subject.

Students and teachers have worked extremely hard to achieve these results and individual outstanding successes are:

Olivia Townsend:	9 x grade 9 and 1 x grade 8
Emily Sayer:	8 x grade 9 and 2 x grade 8
Daniel Dickens:	4 x grade 9, 5 x grade 8, 1 x grade 7

Lucy Payne:	5 x grade 9, 1 x Distinction*, 2 x grade 8, 2 x grade 6
Joffray Hargreaves:	3 x grade 9, 1 x Distinction*, 4 x grade 8, 1 x grade 7, 1 x grade 6, 1 x grade 5

It has been a privilege to work alongside our students over the last 5 years. They have worked effectively as individuals but also as a team to support each other through these challenging GCSEs. Their achievements are testament to their hard work, effort, resilience and determination to succeed along with the commitment and expertise of our staff. It has been a pleasure seeing all students grow and develop personally and we are proud of each and every one of them.

We are committed to ensuring that our students follow a broad and balanced curriculum and I am delighted by the wide range of subjects which have achieved such positive results for our students which are indicative of the opportunities available to Key Stage 4 students at the College.

As our sixth form continues to grow, I am delighted that so many of our students have enrolled to continue their studies at Level 3 and we look forward to welcoming them back in September to support them and celebrate the next stage of their educational journey.
