

Entry Requirements and Subjects

The entry requirements for students studying A level qualifications are seven GCSEs at grade 9-5 or equivalent, including English and Mathematics. While a grade 6 is preferable for studying A level, we will consider students who achieve a grade 5 in a subject depending on circumstances. Please indicate below by circling the subjects you are interested in studying.

A Level /Vocational Subjects	
Art & Design	Biology
Business Studies	Chemistry
English Literature	Further Mathematics
Geography	History
Mathematics	Media Studies
Physics	Product Design
Psychology	Religious Studies, Philosophy & Ethics
Sociology	BTEC Sport Certificate, Diploma, Extended Diploma

Please note that these choices are **not** binding and are subject to conditions of entry. Offer made to students are made according to predictions and may be withdrawn if predicted grades are not met. Courses will run subject to student numbers. Option blocks may change subject to demand for subjects.

Supplementary information to support your application

Please provide any information relating to work experience (part-time or voluntary)

Please include details of any activities you do on a regular basis (e.g. sports teams, youth club, dance groups etc) or any hobbies/interests you have (e.g. reading, mountain-biking etc)

Student declaration

I confirm the information I have provided is accurate.
