

17th June 2020

Dear Parents/Carers of students in Years 7-9

I hope that you and your family remain safe and well.

Further to my correspondence regarding home learning on 12th June 2020, the College has been providing some pastoral face-to-face onsite and remote online sessions with students in Years 10 and 12, as part of the government's priority for these two year-groups in particular, who will be taking national examinations next year.

I appreciate that students in Years 7-9 are keen to have some remote pastoral face-to-face contact with their tutors, in addition to existing communication via Show My Homework or phone calls home.

Going forwards, from the week beginning 22nd June, we would like to offer the opportunity for all students in Years 7-9 to access remote pastoral sessions online with their tutor as per the schedule below:

Year 7, 8, 9 Skills-4-Life / Tutorial session

Week B ~ Thursday 25th June ~ Period 4: 12.20pm – 1.20pm

Week A ~ Wednesday 1st July ~ Period 5: 2.00pm - 3.00pm

Week B ~ Thursday 9th July ~ Period 4: 12.20pm – 1.20pm

Week A ~ Wednesday 15th July ~ Period 5: 2.00pm – 3.00pm

The College is using Microsoft TEAMS to deliver its remote online sessions and I have attached a student guide to assist you and your child as you prepare for their first session.

Your child will need to use their school email address and password to access their TEAMS account. If your child has forgotten their password and requires a password reset, please contact the College on office@sirharrysmith.cambs.sch.uk as soon as possible for this to be actioned.

Your child/ren should also be receiving regular homework on top of their remote learning on Show My Homework from each subject which is submitted back to teaching staff to be marked and feedback given to students. These tasks should have a clear submission deadline.

Year 9 students should only be completing tasks for subjects they will be continuing to study next year. New subjects have set introductory GCSE work, which can be found on the College website within our 'Remote Learning Resources' section.

Each subject area also has an allocated email address for parents to contact subject staff directly if needed.

The subject email addresses are as follows:
