

Dress Code

We hope to encourage students to develop a greater sense of personal responsibility as part of their preparation for further study and for entering the workplace. Therefore, we feel that students should wear non-uniform dress appropriate to a College or work environment. The Dress Code is listed below and we hope that students will enjoy this opportunity to be treated as young adults within an educational setting and rise to the challenge of dressing for a professional work environment.

	Acceptable	Not appropriate	Exceptions
Trousers	Tailored dark coloured Trousers Full length	Playsuit Combat trousers or chinos Denim or Corduroy Shorts Tracksuits Leggings/Treggings	Dark coloured plain Leggings may be worn in place of tights Smart tailored knee length shorts may be worn in summer.
