### Examples of how your uniform should look

The College uniform policy has been developed with the purpose of ensuring that students in the College are smart, safe and have clear guidelines of College expectations. A high standard of personal appearance is expected of all students. As part of the rights and responsibilities students have in our College, we expect that they should LOOK SMART by wearing the correct College uniform at all times. We believe that a smart uniform worn properly is very important because it demonstrates the pride that students take in the College and signals their readiness to be part of the learning community.

We expect all students to wear full uniform at all times. The College therefore reserves the right to ask students to remove items of clothing, adornment (examples include badges, sweatbands, scarves, hats, ornate belts) or jewellery which are deemed contrary to the spirit of the policy in the opinion of the leaders of the College. We also reserve the right to ask students to remove excessive make up and nail varnish.

If a student wishes to have body pierced jewellery other than that allowed by the College, we stipulate that they have the piercing done at the beginning of the long summer holiday. This gives several weeks for the piercing to establish itself. The student is then able to take out the stud/ring safely to attend College but to replace it at home.

Any student wearing a ring or stud other than those allowed in the uniform code, who will not remove it on request, will be thought of as being uncooperative with the rules of the College. Lack of cooperation may be result in exclusion.

**Please note:** This is general information. As you know "fashion trends" come and go so our list cannot be exhaustive. It is at the Principal of College's discretion to take action regarding any fashion trend or hairstyle which we feel is unacceptable.
